Handling of Personal Information in Entrance Examination

Rikkyo University

1. Application

Personal information provided by applicants in the admission and enrollment process, including names, addresses and other specific information, will be used only for the following purposes:
(1) To conduct an entrance examination (application processing and testing);
(2) To announce the final results of the examination; and
(3) To conduct the enrollment procedures and any other related matters pertaining to admission.

In order to prevent any leakage, breach or unauthorized use of personal information, Rikkyo University (hereinafter referred to as "the University") will take necessary and appropriate measures to ensure the protection of the information.

All or part of the above operations may be carried out by contractors (hereinafter referred to as "the Contractors") entrusted by the University with the relevant operations. In such case, the University may provide the Contractors with all or part of the personal information provided by applicants. In order to outsource the operations, the University executes agreements with the Contractors and requires them to ensure the strict management of the information and prohibits any use of the information unrelated to the outsourced operations. In addition, the University utilizes personal information, which has been converted into statistical data to render the information anonymous, for the purpose of analysis and research regarding entrant selection at the University.

Please note that part of new students' personal information as well as their entrance examination results may be registered in the University's student information database and used for student consultation and guidance after enrollment. The University requests all applicants for their kind understanding of this matter.

For more information on the University's privacy policies, please refer to the link below:
https://english.rikkyo.ac.jp/privacypolicy/index.html

2. Use of personal information required for application fee payment

To make payment of application fees, applicants need to use the payment collection service (credit card payment) provided by SB Payment Service Corporation (hereinafter referred to as "SBPS").

In order to reduce applicant burden at the time of application, the University shares personal information necessary for the usage of the payment service (applicants' names, addresses, phone numbers and e-mail addresses) with SBPS. The information will also be sent to the relevant companies (credit card companies, for example) to process the payment.

3. Payment collection service agency

SBPS is responsible for all settlement operations of SoftBank Group Corporation and possesses knowledge of systems and businesses that has been cultivated through handling large-scale transactions. In addition to continually making efforts to improve the system to realize the safe and appropriate handling of personal information by developing a system that complies with the requirements set forth by the "Act on the Protection of Personal Information (Act No. 57 of 2003)", SBPS ensures non-retention of credit card information based on the "Installment Sales Act (Act No. 159 of 1961)" or information management in accordance with PCI DSS provisions.

4. For MSDA, MIB, MPMA, and Doctoral Program in Business (only candidates applying in English) candidates :

Students who have been admitted to each MSDA, MIB, MPMA program, and Doctoral Program in Business (only candidates applying via the English version of this application system) of Rikkyo University (excluding Japanese students) will be registered for the Inbound Medical Assistance Service (hereafter "service") provided by Emergency Assistance Japan. This service entitles you while living in Japan to the assistance of referral for medical institutions, or interpretation via telephone when you take a taxi or you are examined at a hospital. Please note, however, that this service is not a medical insurance and you will have to bear the cost of phone bill, taxi fare, doctor's fee, or medical examination fee. Also, Rikkyo University is required to be enrolled in the insurance designated by the service company. Please note that this is the insurance, in which Rikkyo University has to be enrolled and is not the medical insurance, in which the students have to be enrolled, so that you may be able to benefit from the service. Therefore, there may be occasions where Rikkyo University has to provide the service company and insurance company the students' personal information including name, student ID number, address (city), gender, date of birth, nationality, and country of origin. Please understand that the students who applied to each MSDA, MIB, MPMA program, and Doctoral Program in Business (only candidates applying via the English version of this application system) of Rikkyo University (excluding Japanese students) and have been admitted to the University are automatically regarded to have agreed with the provision of personal information.

☐ I have understood the above conditions regarding the handling of per~~~~~mation (including the request for the disclosure of personal information to third parties for the payment c~
