

Applicants who passed the 1st round screening (document screening) need to download it from My Page and print it by the day of the entrance exam, or save it on your smartphone or tablet and prepare to present it on the day of the entrance exam.

Also, please keep it in a safe place as you will need it on the day of the exam, the announcement of final results, and the enrollment procedures.

4. Entrance Exam

1) Selection Process

- (1) The 2nd round screening (oral exam) will be conducted for those who pass the 1st round screening (document screening). Enrollees are selected based on a comprehensive evaluation of the results of document screening and oral exam.
- (2) Exam date and oral exam start time

Exam date	Time
July 6, 2024	From 10:00am

* The oral exam will be conducted on the date and time specified by the Graduate School. Details such as the exam date and time, meeting time, and Zoom URL are notified to the e-mail address registered in the online application system after announcement of results of the 1st round screening. Set up in advance to receive email from the @rikkyo.ac.jp domain.

2) Notes on Entrance Exam

1. The exam will be conducted over video conferencing system “Zoom” (<http://zoom.us/>). Please register your account in advance.
2. Make sure you have the necessary equipment (computer, camera, microphone, speaker, earphones or headphones, etc.) and a stable internet connection. Before filing an application, be sure to check whether you can use Zoom by joining a Zoom test meeting (<https://zoom.us/test>).
3. On the day of the exam, the connection will be checked once at a specified time prior to the start of the exam. As a general rule, late applicants are not allowed to take the exam.
4. You must be alone in a quiet space with no one else entering during the exam. In order to make sure that no one other than you is present, a “virtual background” may not be used.
5. The exam will be conducted orally only. Applicants are not allowed to use chat or share a screen and record. The interviewer will record the interview in case of a connection problem. The recorded data will not be used for any purposes other than admission decision, and the data will be deleted after the admission decision date.
6. During the exam, any devices other than the device for using Zoom may not be used. You may not also use communication methods such as e-mail. In addition, you are not allowed to consult any books, materials or data, including your application documents, during the exam.
7. Please note that we cannot answer any technical questions related to your computer, network, or “Zoom.” And we cannot provide support when an accident occurs with your equipment or system.
